

## Track Hire - Experience the Thrill of Racing - Your Way

Fancy having a top-notch indoor RC racing facility all to yourself? Whether you're planning a day of friendly competition with friends, a unique birthday party, or you just simply want some uninterrupted time to test your skills, hiring Wheelspin Raceway is the ultimate way to enjoy the thrill of racing.

The track is available to hire for all skill levels, from seasoned RC enthusiasts to complete beginners. The track's design incorporates features to test precision, speed, and control, ensuring a thrilling experience for everyone. If you're new to RC racing, private hire allows you to practice at your own pace without any pressure. For experienced drivers, it's the perfect playground to refine your techniques or push your car to its limits.

### Why Choose Private Track Hire?

**Exclusive Access:** The entire track is yours - no distractions, no interruptions!

**Tailored Experience:** Race at your own pace with full control over your session format. You must still conform to our health and safety rules and BRCA best practices.

**Top-Quality Facility:** Designed specifically for 1/10 scale 2WD buggies, our professionally built track offers:

- EOS-grade carpet for optimal grip and performance.
- Cushioned barriers to minimise damage from impacts.
- A dynamic layout to test precision, speed, and control.

**Flexible Timing:** We understand that everyone has a different schedule, so we offer flexible hire options:

- **4-Hour Slot:** Ideal for a morning or afternoon session.  
Book from 9:00 AM to 1:00 PM or 1:00 PM to 5:00 PM.
- **6-Hour Slot:** Perfect for an extended full day session.  
Suggested booking time 10:00 AM to 4:00 PM.

Want to customise your session? Slots can be adjusted to fit your needs within our regular opening hours. Call us with your requirements.

**Pricing:** The cost is **£200+VAT for a 4hr slot** or **£250+VAT for a 6hr slot**.
